

2012-2013 Annual Report

POPE JOHN PAUL II HIGH SCHOOL

Chairman's Message

Dear JPPI Parents, Students, Faculty, Staff, and Friends,

What an exciting year it has been at Pope John Paul II High School as we were overjoyed to learn our namesake will be elevated to Sainthood in a canonization ceremony on April 27, 2014 in Rome. Since our founding 12 years ago it has been an honor to be associated with a man so completely dedicated to proclaiming the Gospel and known in the history of the world as an example of hope and light.

With a curriculum that is both rigorous and innovative, JPPI is a place where passion, curiosity and creativity are developed into knowledge. Our students are encouraged to think and learn independently, to take initiative, allowing them to experience the rewards of exploration and observation. These skills not only create a unique learning environment, but give our graduates the ability to be successful well past their high school years.

This Annual Report celebrates and thanks everyone who made a financial contribution in support of the school: parents, faculty and staff, trustees, alumni, parents of alumni, grandparents, and friends. I would especially like to thank the efforts of our many volunteers who tirelessly put forth hundreds of hours on behalf of the school.

Participation in the Fund for Excellence is an indicator of the value JPPI parents, alumni, and friends place on our Mission: "Inspired by Faith, Pope John Paul II High School prepares students to be strong in mind, body, character and spirit for lives of learning and service according to the Gospel". Every gift makes a difference, no matter what the amount, and helps to inspire other donors. Please be generous!

Sadly, we lost two pillars of the JPPI family this year: Ann Carell, wife of Monroe, and Jim Carell. Both made transformational gifts to JPPI: Ann, in giving the diocese the original gift that made JPPI possible, and Jim, in his recent gift that allowed us to build the lower stadium, track, new pavilion and turf stadium. We will be forever grateful to these two magnificent philanthropists.

On behalf of the JPPI Board of Trustees, we thank you for your continued support to help us succeed in the mission of Pope John Paul II High School.

Sincerely,

A handwritten signature in black ink, appearing to read "John Sooker".

John Sooker
Chairman, JPPI Board of Trustees

Letter from the Headmaster

Dear Parents, Faculty, Alumni, and Friends of JPPII,

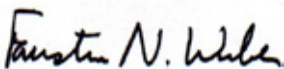

Thank you for your continued support of Pope John Paul II. Our eleventh year as a school was magnificent, punctuated by these highlights:

- We graduated 158 seniors in May. They were accepted to over 160 colleges and universities, earning in excess of twenty million dollars in scholarship offers, the most ever.
- Ninety-five students were named “AP Scholars” by the College Board for their performance on three or more Advanced Placement exams in May, the highest number in school history and among the highest in Tennessee.
- Three teams qualified for state finals, including boys’ baseball, softball, and girls’ lacrosse, whereas the football team won the Bishop’s Cup.
- Fourteen seniors signed letters of intent to continue their athletic careers in college, whereas senior Chelsea Gettelfinger was named the top cheerleader in the state.
- Our students gave over 20,000 hours of Christian Service to Middle Tennessee residents in need.
- Donations to JPPII remained strong, with supporters giving \$632,296 to support our students and school programs. Our Gala in February honored Bishop Choby and made over \$100,000 that evening, the most ever.

I consider myself blessed to be a leader here. I am privileged to work with excellent teachers who are passionate about their subject area and care deeply for their students. I am surrounded by staff members that spend countless hours at admission events, at ball games, or at artistic venues. I am gratified by the commitment of so many parents, who serve on Boards, PTO’s and Booster Clubs, work in concession stands, sell spirit wear, cheer at athletic contests, or who do extra things to support our teachers.

But most of all, I am blessed to work with kids who are smart, witty, fun, studious and generous. They give me great confidence and hope that our country’s and our Church’s futures are in capable, caring hands.

Sincerely,

Faustin N. Weber
Headmaster
