

# POPE JOHN PAUL II HIGH SCHOOL

GRATITUDE REPORT  
2016-2017

*“Catholic education aims not only to communicate facts but also to transmit a coherent, comprehensive vision of life, in the conviction that the truths contained in that vision liberate students in the most profound meaning of human freedom.”*

- Pope John Paul II

As a Catholic institution inspired by faith, Pope John Paul II High School prepares students to be strong in mind, body, character, and spirit for lives of learning according to the Gospel. To further this very unique mission, we are most blessed by the generosity of this community of believers. The lists herein reflect cash gifts as well as gifts-in-kind received from July 1, 2016, to June 30, 2017. The faculty, staff and students express heartfelt gratitude for all the gifts of time, talent, treasure and prayers received on behalf of JPPII and for their direct benefit as well as for the future health of the school we all hold so dear.

*Lord, please bless all those who have been good to us for your sake. Amen.*

### **THE POPE JOHN PAUL II SOCIETY**
